### **Agenda Items**

1. Matters arising from previous meeting: - LD – Touch Screen & Infection Control.
2. Dr Ben Penfold - to talk about the "dose of nature" garden project  
Dr Evans and I are trying to get up and running
3. Community Nursing Team - due to lack of staff resources they are unable to do chronic disease checks on housebound patients (this is the same for patients of Marazion Surgery & Stennack Surgery). Dr Slater wrote to Peninsula Community Health to express her concerns on behalf of the practice. Patients are being disadvantaged. Do the members of the PPG wish to get involved.
4. Any other business
5. Date for next meeting
